Let your customers build their *perfect bouquet.*

An interactive bouquet builder
for your flower shop.

NEBULA
SITES STUDIO
EST. 2026

Their flowers.
Their colors.
Their finishing touches.

01 / FLOWERS

Start with a bouquet.

Let them explore
the flowers they love.

02 / WRAPPING

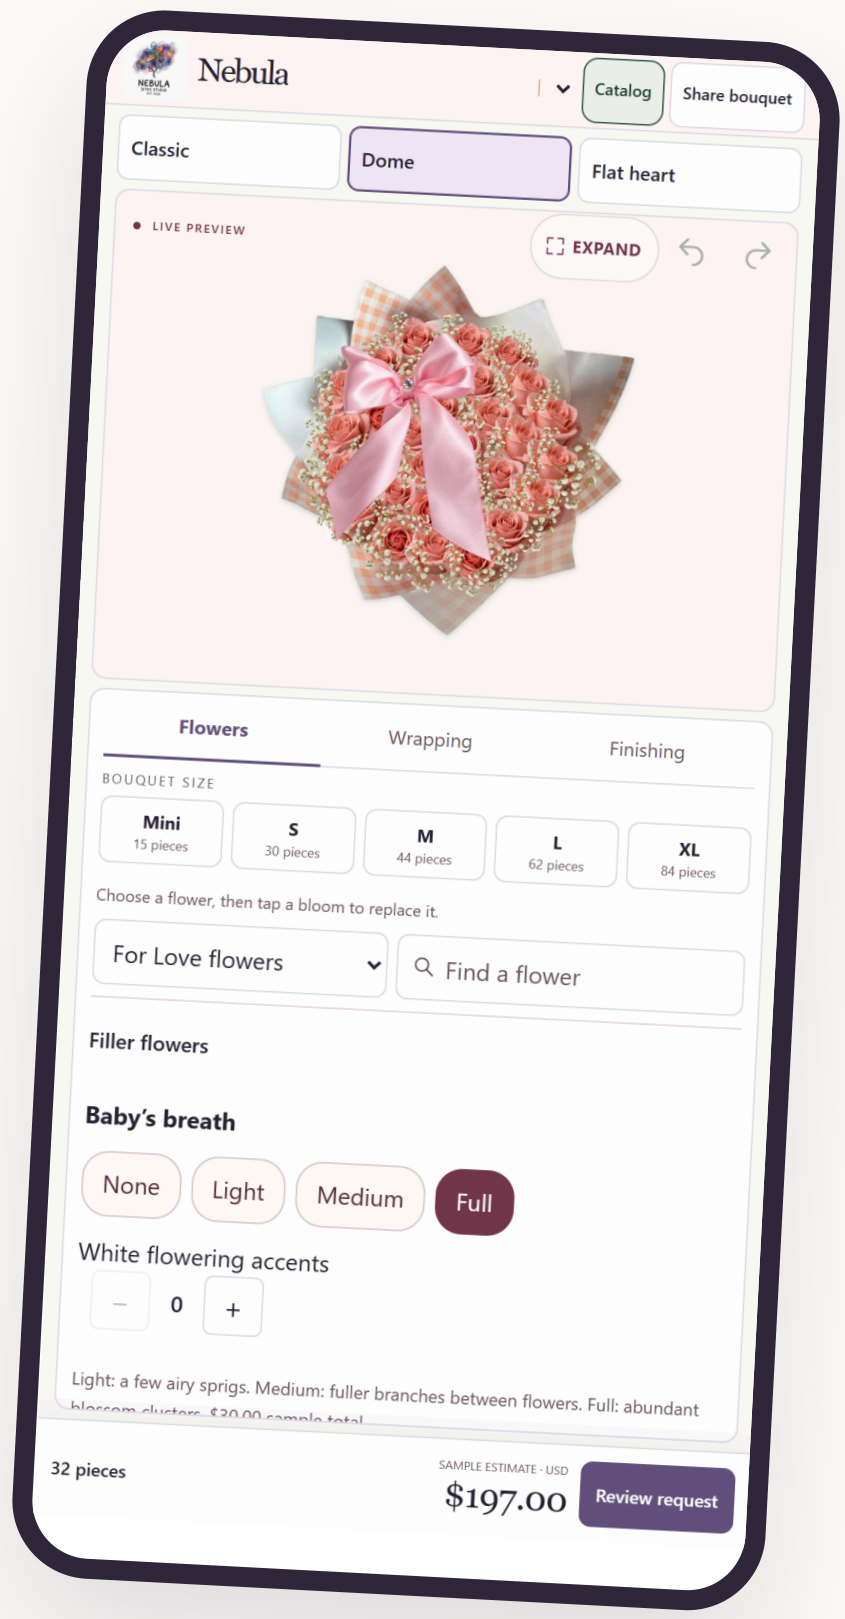

Make it personal.

Choose the wrapping
and finishing touches.

03 / LIVE PREVIEW

See it come together.

A visual starting point
for their request.

From her bouquet *to their starting point.*

A mixed floral design from La Flor Eterna,
translated into an interactive bouquet.

La Flor Eterna’s original bouquet

The interactive builder preview

Lilies, roses, eucalyptus & delicate accents.
A digital interpretation, ready to personalize.

A clearer request, *before the conversation starts.*

A bouquet preview and chosen details,
ready for you to review.
